

Nifty Name

"Maybe it's Snowy,
maybe it's Sue
Whatever my name is,
it's up to you!
Please make it lovely
or maybe just fun
Something easy to say
and spell for everyone!"

Elf passport

"This little elf is
far from home
But how did he get here,
nobody knows?
It's not stamps that help
you travel far away
It's a passport and you need
to make one today!"

Marshmallow Magic

"Soft and white
and oh so sweet
These little goodies
are so nice to eat!
But they make an
even better bath
Dry me off and
please don't laugh!"

Christmas Cutting

"With a cut here
and a snip there
I am using my scissors
with lots of care
What would I like
for Christmas this year
There is so much to choose
just look in here!"

Paper Problems

Oh last night
I had so much fun!
I skipped and hopped
and went for a run
But alas I tripped
and I had a fall
Sorry about the mess,
you will have to clean it all!

Wishlist to Santa

Wish for something you want
and something to read
Something to wear
and some thing you need.
For when you wish upon a star
your wish may just come true
So make a list, and make a wish for
a present to come from Santa to you.

Bubble Trouble

I love to play with this
soapy mix
But need your help
so I don't get in a fix
Blow them on some paper
or up into the air
Make some Christmas Craft
and don't forget to share!

Movie Magic

Get the popcorn ready
For Movie Day is here
Sit back, relax and enjoy
Some Christmas Movie Cheer!
